- Submission of abstracts: **31st July 2008**
- Notification of acceptance: **29th August 2008**
- Final papers due: **1<sup>st</sup> November 2008**
- Conference: **20th–21st Nov. 2008**

The world's only open STANDARD  
for home and building control!

**KNX Scientific  
Conference 2008**

**St. Katelijne-Waver,  
20th and 21st November 2008**

***Call for Papers***

**Venue:**

De Nayer Instituut  
Jan De Nayerlaan 5  
2860 St. Katelijne-Waver, Belgium

# Call for Papers for the

## Conference 2008

20th & 21st November 2008

De Nayer Instituut  
St. Katelijne Waver, Belgium

### The KNX-system: Energy Efficiency & Climate Protection

KNX Association is looking for presentations on new and exciting KNX system innovations

Do not miss this occasion to present your newest developments to other partners and to the KNX members. This may take the form of a presentation and/or by means of a small demonstration panel.

Presentations are accepted from members of our industry, universities and/or technical institutes.

A CD-ROM containing all conference papers will be made available at the Conference and offered for download on the KNX website.

Prospective authors should submit an abstract in English of about one page by the **31<sup>st</sup> July 2008**. Contributions should present recent research and applications focusing on - but not restricted to - the following topics:

- KNX for high energy efficiency
- Climate protection with KNX
- Use of KNX for disabled persons
- KNX and security
- KNX and multimedia
- KNX and metering
- KNX and XML
- Further KNXnet/IP innovations
- New KNX fields of application
- KNX PC Tool evolutions
- New KNX products
- KNX Radio Frequency
- .....

The final paper must be written in English.

#### Conference Chairs

Mr Jan Derua – De Nayer Instituut  
Mr Joost Demarest – KNX Association

#### Programme Committee

- Mr Jan Derua, De Nayer Instituut
- Mr D. Beck, Hager, Obernai
- Mr A. Fiddian-Green, Siemens, Zug
- Dr. C. Heite, Busch-Jaeger, Lüdenscheid
- Mr G. Luber, Siemens, Regensburg

#### Response

Please send me the final programme
