

#KNXis30 Celebration

#KNXis30 did not only go down in history as the longest KNX 'break-free' event in history, it also put a special light on the entire world of KNX! But the party is only over, when it is over: Celebrate with us 30 great years of KNX together with our KNX National Groups! Check out the recording of the event and learn about the latest developments!

Check out the detailed agenda - We promise you, it will be a whole new experience for you!
